RURAL CARRIERS MET LAST NIGHT

COUNTY ORGANIZATION WAS PERFECTED AND OFFICERS CHOSEN

F. D. BAILEY PRESIDENT

Carriers Discussed Such Problems as Equipment Allowance, Wearing Uniforms and etc.

At a meeting of the rural carriers of Nodaway County held at the post office last evening, it was decided to organize a county association of rural carriers and officers were elected. E. D. Bailey of Maryville was selected as president, O. B. Clawson of Conception Junction as vice-president, and O. G. Null of Pickering as secretary-treasurer.

A paper written by O. H. Andermann of Rock Port who was unable to attend the meeting was read by Mr. Null. His subject was "Joining the National Association of Rural Carriers." Such problems as equipment allowance for the rural carriers, the same pay for overmileage as for regular mileage, the question of wearing uniforms, and the detirement act, were discussed.

Three delegates, Mr. Clawson, Mr. Null and B. A. Jones of Burlington Junction were selected to represent the county association at the state convention of rural carriers to be held on July 10.

Ira Newlon of Clearmont made a short talk on the advisability of wearing uniforms. The carriers in attendance last evening went on record as opposing the uniforms.

The meeting adjourned subject to the call of the president. Another meeting will be held sometime before July 10, the time of the state association meeting, for the purpose of discussing instructions to be given to the county delegates.

The carriers in attendance were:

Ira B. Newlon and Ross Wallace, Clearmont; Arthur L. Strader, C. D. Humberd, S. E. Clawson, Barnard; D. H. Arnold, B. A. Jones, Burlington Junction; C. A. Pennington, Hopkins; Frank M. Auer, Parnell; S. S. Browne P. B. Lewis and A. D. Florea, Hopkins; Harry Worl, Halley Merritt, E. L. King, Skidmore; O. B. Clawson, Conception Junction; E. B. Carter, Clyde; C. O. Harman, Parnell; Clyde Adcock, Henry McCann and Charles DeLong, Ravenwood; William E. Orme, Hopkins; Floyd Alexander and O. G. Null, Pickering; E. D. Bailey and Gerald Whaley, Maryville.

JaKeTibbetts Dies Suddenly at Home

Was Stricken With Heart Trouble In Front Yard of Home—Was 87 Years Old

Jake Tibbetts died suddenly at 4:30 o'clock yesterday afternoon in the yard at the home of his son, George Tibbetts, two and a half miles northeast of Elmo. Mr. Tibbetts was 87 years old and had not been well since last winter. Dr. Frank C. Wallis of Maryville, county coroner, held a view inquest last night and pronounced death the result of heart disease. Funeral services probably will be held tomorrow at the home and burial will take place in the Elmo cemetery.

Mr. Tibbetts was born in Lee county, Iowa, and had lived in Nodaway county for a number of years. His wife died about seven years ago. Besides the son at whose home he died, he is survived by eight children, three sons and five daughters. They are Charles Tibbetts, Wymore, Neb., Bud Tibbetts, Wyoming; Esrom Tibbetts, Troy, Mont.; Mrs. C. E. Dilley, Elmo; Mrs. Anna Tillard, Omaha; Mrs. Emma Tudder, Lusk, Wyo., and Mrs. Ada Davis and Mrs. Louella Farquhar, both of Casper, Wyo.

Pickens Commissioner for Mo. State Fair

Geo. A. Pickens, acting general secretary of the Greater Missouri Association, received notification this morning that he had been appointed state fair commissioner for Nodaway county. Mr. Pickens is given authority to stimulate interest and in any other way promote the state fair The commission was sent by W. D. Smith of Sedalia, secretary of the fair association and was signed by Mr. Smith and C. D. Bellows, president of the board. The state fair this year will be held August 18 to 25.

Highway Engineer Is Inspecting the Roads

H. A. Miller Here Today to Accompany J. E. James—South Road and Bur. Jct. Roads Worked.

H. M. Miller, divisional engineer of the maintenance department of the state highway commission for twelve counties in Northwest Missouri, was in Maryville today and in company with J. E. James, superintendent of the maintenance of the state highways in Nodaway County, made an inspection trip over these roads.

The department has purchased a Ford truck for Mr. James to carry the tools and scrapers.

Mr. James reports the south road from the Arkoe corner to the Davis schoolhouse is being graded and will be in much better shape than heretofore. Much complaint has been made about this road. The road from Maryville to Burlington Junction and return, thirty-two miles in all, is being put into condition by dragging. This work is being done under the supervision of George Ray and Neil Craig.

Work on the dragging of the east road to Ravenwood is held up for the time being. The township board has charge of this road. Delay has been caused because the board is waiting to get an engine that will do the work.

WATER TOWER MAY GO IN THE MOVIES

FOR FILMING OF HOMER CROY'S NEW BOOK.

MARCELL MAY TAKE THEM

Paramount People Have Film Rights for New Books—E. B. Trullinger Is Publicity Manager.

Some of the motion picture scenes of "West of the Water Tower," a novel believed to have been written by Homer Croy, a former resident, may be taken in Maryville, E. B. Trullinger, publicity manager for the novel said today.

"West of the Water Tower" is is now one of the six best sellers and has gone into the second edition. This is remarkable when one considers the fact that it has not been off the press but four weeks. The "Movie" rights to the book were sold in May to The Famous Players-Lasky Corporation, producers of Paramount pictures, for $25,000. The author has already received the first installment of $10,000, according to Trullinger.

The main part of the story will be filmed in the Lasky Studios in California and New York, but there is a chance that some of the purely local scenery, such as the water tower, which Mr. Trullinger assures us, is our own town, may be shot here by F. R. Marcell and forwarded to the New York offices of the Lasky Corporation. This would obviate the necessity of building expensive sets in another location. It would have the added feature of being the actual tower, west of which the homes of "Bee Chew," and "Guy Plummer," heroine and hero of the book were located.

Trullinger and Marcell were busy this afternoon in the studio and on location "shooting" scenes which will be forwarded to New York as soon as they are finished.

Christian Church to Try Unified Program

Starting Sunday, the Christian Church will have a unified program of the Sunday School and church services. Last Sunday this system was tried and the congregation voted to try it again this Sunday with the possibility that it may be used throughout the summer.

Sunday school classes will begin at 9:30 o'clock and will continue for one hour, after which they will re-assemble in the church, and the organist will begin playing the voluntary. The church services continue without any recess.

In speaking of the new plan this morning, the Rev. R. E. Snodgrass said, "It is a part of the plan to make the service just as brief as we can and yet do justice to every part of it. This will permit all of theattendants, and we are thinking of the students especially, to get to their boarding places in plenty of time for dinner. Those attending the church services only, should be there by 10:25 o'clock."

"BLUEBIRD GARDEN" TO OPEN TOMORROW

IS RUSTIC GARDEN SOUTH OF PRICE FURNITURE.

MADE BY OXFORD BOYS

Methodist Class Will Operate for Lyceum Deficit—To Serve Drinks and Summer Dishes.

"The Bluebird Garden," Maryville's newest recreation center, will open to the public tomorrow night. The garden, which is located south of the Price Furniture Company, has been under construction for the past month. It will be operated by the Oxford class of the First M. E. Church and all profits will go towards wiping out a deficit incurred by the class in sponsoring the winter lyceum course. Schumacher's orchestra will furnish the music.

The bluebird scheme with rustic effects will be carried out throughout the garden. The entrance archway and front is made of willow posts and limbs. A large electric sign covered with parchment paper will carry the name, "The Bluebird Garden." The front is edged with nasturtiums and petunias with beds of the same flowers on the parkway.

In each of the four corners are massed bridal wreath. The front half of the sides are edged with zenias and hollyhocks with vines behind them. The back half of the sides are covered with Japanese morning glories and moon flowers with a row of nasturtiums and border of petunias. On both sides of the center are beds of hydrugeas. In the center to the back is a large circular bed of cannas sprinkled with petunias.

In the center of the garden is a huge fountain, which promises to be the feature of the decorations. It is five feet in diameter and is built up about four feet on huge rocks. Three revolving colored glass discs, electrically driven, furnish an ever-changing color on the water from the center of the fountain. In the water of the fountain bed is several clusters of water hyacinths. Electric lights of rustic shades with bluebirds decorations on parchment paper will furnish the lighting. Just back of the center on the north is a rustic booth which will be used for serving. Ice cream, crushed fruit dishes and drinks will be served. The lower parts of the sides and front of the booth will have a latticed effect and the roof will be thatched. Rustic tables have been placed throughout the garden upon which, guests will be served.

The garden has been planned and constructed by the members of the Oxford class, and they will manage it during the summer. The Murray Nurseries contributed the shrubbery and Clun Price designed and made the fountain.

Teachers Association to Meet in October

The Northwest Missouri Teachers Association will meet in Maryville October 11, 12 and 13.

The executive committee of the Association met yesterday and fixed these dates and made tentative plans for a program. The members of this committee are: Elizabeth Brainerd, Trenton; Charles H. Bryant, Winston; Miss Lillie R. Nelson, Bolckow; E. R. Adams, New Hampton, and C. A. Hawkins, Maryville.

Some notable speakers will be here for the meeting. Among the probabilities are: Dr. Brooks, president of the University of Missouri; Charles A. Lee, state superintendent of schools; Governor Arthur M. Hyde; Dr. Taggart, U. S. Commissioner of Education.

Nineteen counties comprise the Northwest Missouri district. Several weeks ago, E. Newton Carter resigned as president of the Association. He was succeeded by E. R. Adams of New Hampton.

4 Other Students to Get Certificates

Four students of the College, in addition to the list already published, will receive teaching certificates this summer. Ruby Ewing of Grant City, Kahla B. Ford, Parnell, and Dorothy Lawson of Mound City, will receive 60-hour life certificates. Winifred Drake of Tina, Mo., will receive a 30-hour certificate.

Huge Dance Will Close Shriners' Convention

Washington, June 7—The greatest carnival that Shrinedom ever ehld in a half century of merrymaking will mark the closing tonight with the greatest dance ever staged in the United States. It is called the "Dance of States." A hundred thousand, perhaps more, will participate in the dance and staid old Pennsylvania Avenue, whose history is replete with events of pomp, power and dignity, will furnish the dance floor. The historic avenue from the White House to the capital will present miles of dancing space for the Shriners and their guests. Music will be furnished by two bands, the Tripoli Temple band of Milwaukee and the Alcazar band of Denver.

MISS EVA DAWSON DIES SUDDENLY

MARYVILLE BUSINESS WOMAN VICTIM OF INDIGESTION

WAS SITTING IN CHAIR

When Attack Suddenly Came—Had Been Ill Earlier In Day—Funeral Services Tomorrow

Miss Eva Dawson, one of Maryville's best known business women, and a life-long resident here, died suddenly at 4 o'clock yesterday afternoon at her home, 216 West Second street, of acute indigestion. She was at her place of business yesterday morning until ten o'clock when she complained of feeling ill. She suffered an attack of acute indigestion soon after reaching home but after a few hours her condition became so much improved that she spoke of returning to the store. She was sitting up chatting with her mother, Mrs. Calista Dawson, when the second attack came. Her head dropped suddenly and it was at first thought that she had fainted. Upon examination it was found that she was dead.

The sudden death of Miss Dawson has been a grievous shock to her aged mother.

Miss Dawson was born in Maryville May 26, 1869, and had lived in the house where she died since two months old. She was educated in the Maryville public schools and the former Maryville Seminary. For a number of years she had been engaged in the millinery work and had been in business for herself since seven years ago when she bought the Elite Millinery store, first building north of the Hotel Linville, from Misses Eathel and Sadie Woods. She was prominently identified with most of the organizations of the M. E. Church South, and gave unsparingly of her time to the various activities. Besides her mother, who is 82 years old, she is survived by one brother, Judge John M. Dawson of Maryville, and a sister, Mrs. Cora Fowler of Edina, Mo. Other surviving relatives are an aunt, Mrs. Josephine Cadwell, who resides with Mrs. Dawson, a niece, Miss Gladys Fowler of Lexington, Ky., and a nephew, Dawson Fowler, Kansas City. Mrs. Fowler came at noon today to attend the funeral and her daughter will arrive here tomorrow morning from Lexington. The nephew will be unable to come for the funeral.

Funeral services will be held at 2:30 o'clock tomorrow afternoon at the M. E. Church, South, conducted by the pastor, the Rev. B. F. Cline. Burial will be in the Miriam cemetery. The body of the late Judge Lafayette Dawson, father of Miss Dawson, who died in 1897, was interred in Oak Hill cemetery but will be removed soon to the Miriam cemetery The pallbearers will include Henry Thorp, M. A. Peery, D. R. Baker, W. A. Blagg, L. C. Cook and T. A. Cummins.

Mr. and Mrs. Turk to Move to Lincoln, Neb.

Mr. and Mrs. H. E. Turk, who have resided in Maryville for the last two years, will leave next Tuesday for Lincoln, Neb., where they will make their home. Mr. Turk will be superintendent of switchboards and substations for the Nebraska Gas and Electric Company, a subsidiary of the Continental Gas and Electric Corporation of Omaha, which owns the local plant. Prof. and Mrs. Burt Loomis have leased the house at 530 West Fourth street, which Mr. and Mrs. Turk have been occupying.

HEALTH CONFERENCE DATES ANNOUNCED

NODAWAY COUNTY HEALTH DEPARTMENT IN CHARGE.

TO DISCOVER DEFECTS

Children of School and Pre-School Age as Well as Infants Will Be Examined.

The summer schedule of health conferences to be held in the various towns of the county were announced this morning by the Nodaway County Health Department.

These conferences are for the purpose of examining children of school and pre school age and infants. Children are tested for sight, hearing weight and general health conditions. This, the County health officers say, material benefits to the educational development of the child will be derived. Many children have been retarded in their school work by poor vision or hearing or by under-nourished bodies, Dr. C. P. Fryer said this morning. At these conferences, defects will be discovered and steps taken to cure them. If the child is under-nourished, a weight-producing diet will be recommended.

As to defective sight or hearing, the findings of the health department will be made known to the parents and the child can then be taken to any specialist.

The children of pre-school age and infants will be examined as well and steps taken to bring about normalcy of the child.

This is part of a campaign of the Nodaway County Health Department to improve the general health conditions in the county.

The following schedule has been announced:

Hopkins—Friday, June 8, June 29, July 20, school building.

Maryville, Saturday, office.

Parnell—Mrs. Chas. Evans.
Skidmore—Mrs. Rawlston McClain.
Quitman—Mrs. Elmer Johnston.
Conception—Fr. Placidus.
Conception Jct.—Miss Mabel Merrigan.
Clyde—Mrs. R. W. Graham.

Memorial Services at Elmo Sunday

The American Legion at Elmo will hold the annual Memorial service at 2 o'clock Sunday afternoon in the M. E. Church, South, at Elmo. Addresses will be given by the Reverend Speer of the M. E. Church, South, the Rev. Wiley of the M. E. Church, the Rev. Delt C. Wolfe of the Christian Church. Mrs. E. R. Davis, Miss Spear and others will give special music.

The wind will turn your umbrella but that is more than the average borrower will do.

Many Pedigrees From Breeders Have Arrived

About twenty-five pedigrees of Holstein bulls in Missouri, Illinois, Iowa, Wisconsin and Michigan have been received by R. A. Kinnaird, county farm agent. These will be shown to breeders around Ravenwood. The bulls range in price from $75 to $3500. They give a wide range of breeding and qualities to select from. Two bulls will be purchased for use in the Ravenwood community.

After E. E. Saunders and M. A. Brown had purchased the Jersey bull from Dr. Johnston at Grinnel, Ia., the pedigree was submitted to the dairy department of the University of Missouri who said that it was the best buy that had been reported so far this year, and they complimented Brown and Saunders on their selection.

BURSUM TO WAGE NEW BONUS FIGHT

SENATOR CITES GOVERNMENT'S OBLIGATION TO VETERANS

BELIEVES IT WILL PASS

Will Provide For Refunding Of Insurance and Allotments and Give $20 Month Back Pay

Washington, June 7—Predicting the enactment of a 1 billion, 200 million dollar adjusted compensation bill by the next Congress. Senator H. O. Bursum, Republican of New Mexico, chairman of the senate pension committee, to day announced that the bonus fight in behalf of America's 4 million World War veterans would be waged from a new angle, that of legality.

The government, Senator Bursum said, has contracted a "legal obligation" by forcing its soldiers to pay their own insurance and enforcing allottment payments during the war. He cited state compensation acts to emphasize his point.

He further declared that the bonus bill, when passed would be signed by President Harding. If not, he said there were not sufficient votes to pass it over the President's veto.

Bursum announced he would introduce the new bill as soon as Congress re-convenes and that he was prepared to lead the fight for its enactment. The new Bursum Bill, he said, would be modeled after the old one with certain changes. It will provide payment upon the following principles:

One: Refunding of all insurance premiums paid by soldiers, averaging $7 a month per man.

Two: Refunding all enforced allottments ranging from $5 to $15 a month.

Three: Payment of a retroactive wage increase of $20 a month during the months in service, (equal to the increase given civilian employees during the war.)

Senator Bursum declared that the new bill would contain no gratities. "It will simply provide for refunding to the ex-service man the money wrongfully withheld from his pay. In the first place the $7 a month for insurance should have been paid by the government and not deducted from the soldier's wage. It is manifestly wrong to exact from a man, who hazards his life in defense of his country, the expense of carrying insurance to cover the hazard, and then deduct it from his wages."

Bursum declared that the government should also, "refund the enforced allottments." He termed this practice as "great liberality with the others' money," and charged that it was a debt of the government.

"My bill also provides for the payment of $20 a month for the time spent in the service," he continued. "During the war Congress raised the wages of all of the civilian employees receiving less than $2,500 a year. The increase was approximately $20 a month. My bill would extend that increase to the military and naval employees to cover the period of the war. The total cost would be 1 billion, 200 million dollars. It is a debt the government owes and should have been paid a long time ago. The obligation to make a settlement is just as sacred as bonds."

LONDON GETS NEW PLAN

Germany's New Reparation Offer Submitted—A Failure Means Cuno's Resignation

London, June 7—Germany's new reparation offer which was delivered here this afternoon, suggested a conference with the Allies to fix the sum and method of payment. The German embassy predicted the resignation of the Cuno government if the offer was unacceptable.

The note said that if the offer was not practical Germany was ready to substitute a system of annuities. It offered to guarantee receipts from the railroads, setting aside 500 million gold marks annually beginning July 1, 1927. It promises to subject business, banking, agriculture and industry to first mortgage levy tax yielding 500 million gold marks. Custom and excise duties are pledged which will yield an estimated revenue of 200 million gold marks annually.

London, June 7—While the foreign office has not received an official report on the Brussels conference, but it was understood today that Belgium has persuaded France that in the future the Allies must act jointly in answering German reparation proposals. British officials believe that the French will give way and consent to evacuation of the Ruhr if the German offer is an opportunity to satisfy public opinion.

Brussels, June 7—The impression prevails in Belgium parliamentary circles today that Belgium received a set-back in the Franco-Belgium conference as Premier Poincare refused to discuss in details the Belgium reparation plans at this time. Belgium officials had hoped to canvass the plan thoroughly.

It was learned from Belgium sources that officials hold that the English must bear a "moral responsibility" for Ruhr disturbances. The French premier is said to have told the Belgians that one word from London would be sufficient to stop the German passive resistance in the Ruhr. So far the British government has refused to convey that hint to Berlin.

Harding Again Voices Endorsement of Court

Washington, June 7—President Harding again today voiced his strong advocacy of America entering into the international court of justice set up under the League of Nations.

In a letter to Bishop Thomas F. Gaylor, president of the national council of the Protestant Episcopal Church, Harding declared he placed the proposal before the senate, only after "months of thought, study and conference," and that, in his opinion, America would make "its largest feasible contribution to the stabilization of civilization" by adhering to the court's program.

Kansas City Bans "Fatty" Arbuckle

Kansas City, June 7.—"Fatty" Arbuckle will not be allowed to stage a come-back in Kansas City if the sentiment of the ministers and heads of the women's civic organizations prevail. It was announced that the "playboy" of the movies, who recently made a personal come-back upon a Chicago stage recently, has been booked to appear soon at a local park, and aroused a storm of protest today among the ministers and women club leaders. The leaders said today that his part in the Virginia Rappe episode should relegate him permanently to the background and declared they probably would take some action seeking to prevent his appearance here.

Stray Negro Bullet Kills Man in Auto

St. Joseph, Mo., June 7.—Daniel Neff, 23, was instantly killed here today when a stray bullet fired by one negro at another, struck him in the neck. Neff was sitting in an auto at the time. The two negroes were engaged in a argument when they suddenly pulled pistols and fired five shots at each other, one striking Neff. Both negroes were arrested.

We were figuring on running a series of paragraphs in the Forumettes to be called "When Dad Was a Shiek" but we were afraid we might give away too many Maryville citizens so we gave it up.

Uncle Abner says it seems a lot easier to hear about good luck than it is to experience it.

It is said that every time we tell a lie out big toes wiggle. That, probably, explains why we wear shoes.

Just let any girl fall in love with a man and hear him tell how sensible she is.

A fire arms company sent out letters to hardware dealers suggesting that June was a good month to advertise revolvers. They no doubt, took note of the fact that June was the month of brides.

Funny thing, but local restaurant men tell us that the sale of hot dogs increased with the warmer weather. Few they say are sold in winter. Perhaps that explains why we have summer furs.

A man often wonders during courtship just what the girl thinks of him. He learns after they are married.

Vagrant Musings

The fellow who does the things he can will see the day when he can do the things he wants to do.

Many a mother who was afraid of a cow when she was a girl has a daughter who throws the bull.

The reason a lot of us are not popular is because we will not do the work required.

When mother said she had nothing to wear she was complaining. When daughter says it, it has a different meaning.

Some frames attract more attention than the pictures.

Guests at the meeting were Mrs. Elma Winterstein of Los Angeles, Cal., and Mrs. Levi Woody of Long Beach, Cal., guests of the latter's sister, Mrs. Sam McClurg; and Mrs. L. P. Merriman of Denver, Colo., the guest of her sister, Mrs. Jennie Bantz. There were sixteen members present. The hostesses was assisted in serving refreshments by Mrs. McClurg and Mrs. B. D. Null. The club will give a picnic supper next Thursday evening at the College Park in honor of Mr. and Mrs. Walter Mutz and Mr. and Mrs. Charles Barrow who will leave soon for California. The former couple will spend three months with their daughters, Misses Jessie and Lou Mutz, in Los Angeles, and Mr. and Mrs. Barrow and children will motor out on a business trip. The families of the members will be guests.

Mowery W. W. W. Club

A social meeting of the Mowery W. W. W. Club was held yesterday afternoon at the home of Mrs. Shan McGuire. Mrs. Walter Runnels and Mrs. Champ Rice were in charge of a guessing contest, and the prize was won by Mrs. Ab Simmons. The club will meet June 20 with Mrs. Robert Rice and Mrs. Champ Rice when roll call will be answered by quotations relative to the rose. Dennis McGinness assisted the hostess in serving refreshments. Those present were Mrs. Stewart Robinson and daughter, Violet, Mrs. Harve Cline, Mrs. Irvin Loch, Mrs. Ab Simmons, Mrs. Lester Hood, Mrs. Dennis McGinness and children, Charlotte and Roy, Mrs. Walter Runnels and children, Eldena, Lillian and Robert, Mrs. Will Berkey and son, Jimmie, Mrs. Robert Rice, Mrs. Champ Rice, Miss Audrey McGuire, Bernice and Cecil White and the hostess.

Class Meeting Postponed

The meeting of the Homemakers Class of the M. E. Church, South, which was announced for tomorrow afternoon at the home of Mrs. W. T. Gray on West Fourth street, has been postponed for one week. The change is made because of the funeral of Miss Eva Dawson, a member of the class.

Highland Club

The Highland Club was entertained yesterday afternoon at the home of Mrs. Otha McDowell. Eight members and visitors were present. During the meeting a letter was read from H. R. Lemon, manager of the Christian Orphanage at Council Bluffs, expressing his appreciation and thanks for a case of eggs which the club recently sent to the Orphanage. It was decided to give a program in commemoration of Flag Day at the next meeting on June 20 at the home of Mrs. T. M. C. Neff. Each member is requested to bring dues at this time.

Rector-Ewart

Miss Grace Ethel Rector and Walter R. Ewart, both of Bedford, Ia., were married this afternoon in the study of the First Christian Church in Maryville. The ceremony was performed by the Rev. R. E. Snodgrass in the presence of the bride's mother and several other relatives. The couple will reside in Bedford.

College Class Picnic

The College Class of the M. E. Church, South, taught by Mrs. Burt W. Loomis, gave a picnic supper at 7 o'clock Wednesday evening in the College Park. The old members of the class entertained the new members who are attending the summer semester of the College. Preceding the supper various games were played and later in the evening College songs and class yells were given. Prof. Loomis of the College faculty was a guest. The party numbered about thirty.

Graduate of Iowa Univeristy

Miss Gladys Bookman, daughter of Mr. and Mrs. J. W. Bookman of Maryville, returned yesterday from Iowa City where she was graduated Tuesday from the University of Iowa. Her sister, Miss Ruth Bookman, a junior at Rockford College, is expected home from Rockford, Ill., next Thursday for the summer vacation. She will be accompanied home by a College friend, Miss Elva Yeagley of South Bend, Ind., who will be her guest for several weeks.

Miss King Home Tomorrow

Miss Alsamene King, daughter of Mr. and Mrs. F. S. King, will return home tomorrow morning from Chambersburg, Pa., where she has been attending Penn Hall for two years. Miss King is a member of this year's graduating class and received her diploma at the commencement exercises Wednesday. She was one of the contralto soloists in the school choir which sang at all of the commencement week programs. The baccalaureate service was held last Sunday and the sermon was dilivered by the Rev. Mr. Stevenson, president of the Princeton Theological Seminary. Dr. Warfield, president of Wilson College at Chambersburg, also assisted in the service.

Late Telegraph News

Kansas City, June 7.—Condemnation of the "pork barrel" cry against river and harbor appropriations and praise for waterways as the cheapest and quickest means of transportation were voiced here by Major General Lansing H. Beach, who, as chief engineer of the army in charge of waterways improvements.

General Beach, who was here on a trip of inspection of the Missouri river said the $1,200,000 which has been appropriated by congress for improvement of the river is not nearly sufficient to stabilize its channel and to make it navigable.

"Improvement of the Missouri river is unpopular in congress because it is so expensive," he said. "Because of the nature of the soil along its banks tremendous expenditures will be required to keep the river in position so that its channel will not deteriorate."

Appropriations for river improvements so long as they are expended judiciously are a profitable investment for the nation, General Beach said.

Enid, Okla., June 7.—Members of the Oklahoma Wheat Growers' Association will receive storage of 1 cent per bushel per month on all wheat stored in their bins after August 1, it was announced here following a meeting of the board of directors. Many farmers have ample storage facilities, it was said, and the action came on account of increased volume of business which made it advisable to hold some of the grain on the farm this year.

Teaches Enjoyment of Good Music

Miss Marie Finney, a representative of a talking machine company, is in Maryville today and is giving lectures to the class in "Appreciation of Music" at the College.

Her work is to teach an appreciation of music and to encourage a discrimination in the selection of good musical numbers. In the study of operas, for instance, she tells about the composer, the story of the opera, the different selections and the sentiment intended to be expressed. She tries to cultivate a love for the more classical music among the music teachers and students, and to aid them in the selection of good musical compositions.

In the study of a particular song, she tells of the author, why he came to write the selection, the emotions he desired to express, and the words of the song.

In this way, Miss Finney says, the people will learn to appreciate good music and it will have the effect desired by the composer.

A marriage license has been issued in Kansas City to Oscar A. Hanks of Los Angeles, Cal., and Leora G. West of Ravenwood.

Mr. and Mrs. I. O. Kelley and baby girl of near Orrsburg were visiting today with their uncle and aunt, Mr. and Mrs. Cooper Gooden.

ESSAYS READ ON TEMPERANCE DAY

WRITTEN BY MARYVILLE HIGH SCHOOL STUDENTS

GIVEN AT THE CHURCHES

Essay Read At Each Church Sunday —Walter Allen Writes On The Cigarette

Sunday, June 3d, was Temperance Day in the Sunday Schools and essays which had been written by the Maryville High School students were read at each church. Townsend Godsey of the Christian Church used the subject, "Why there should be no wine or beer amendment to the Volstead Act." Mary Ellen Kendall and Harold Warner of the Baptist Church used the subject: "The cost of Cigarettes—Financial, Physical, Mental, Moral and Social." Eudora McDonald read on the same subject at the South Methodist Church and Walter Allen at the Presbyterian Church.

Mrs. S. S. Wolcott, president of the W. C. T. U. said today:

"Not enough essays were entered to win a prize, as the prize money will be used to furnish the school and library with charts and books on the subject of alcohol and narcotics."

The essay of Walter Allen, a beginning freshman on "The Cost of Cigarets—Financial, Physical, Mental, Moral, Social," follows:

America's greatest problem concerning its young men and boys today is the increasing use of the cigaret. The cigaret, perhaps, is the most useless thing that exists. Boys who use cigarets are spendthrifts; they throw away money which brings large profit to the cigaret manufacturer but destroys their own manhood. Men and boys that have a purpose in life are beyond the bounds of allowing money to disturb all that their life means to them and others. Money has often made evil minds out of cultured minds. Money in a way is a necessity but it is not a necessity in determining character. Innocent men and boys have begun the use of the cigaret by having money in their pockets tempting them into a store where they decline until all they possess has been forfeited over to failure.

There is one class of people that could hide among two million people and finding them would be no difficulty, they smoke the cigaret. Why are they not difficult to find? A smoker has a pallid face, irritated eyes and hollow chest. Doctors realize the effects more than ever when young men were examined during the World War. A large per cent of these were rejected from service because of heart or lung trouble. Among the important factors of life is health. Keeping the body fit at all times is absolutely important. If any delicate piece of machinery were left out to be rained on it would soon rust and be useless, so this is true of the human body; it is the delicate handiwork of creation and will bear the same results. The cigaret is a narcotic which wrecks the fibres of the body and weakens character, knowledge and self-support.

Man was created with a mind to think, to uphold his beliefs, to be his own judge. We have today asylums for insane, we have penal institutions for breakers of law, we have reform schools for mere boys, and the cigaret has in many cases placed them where they are. All the institutions are full of men and boys who through some cause or other became a victim of the cigaret. Ben Lindsey, Denver Judge of Juvinal Court, knows this to be true through his thousands of cases. There are many of our leading Judges besides him repeat the same results. Crime is no joke or is there time to dispute the question. We must act; and to be safe watch your future destiny.

Great men like Henry Ford, Thomas Edison, Charles Schwab and William Randolf Hearst never used a cigaret and that is why they are among America's ablest thinkers. Men of responsibility in high offices are never users of cigarets. Leading business firms of our country are prohibiting the employees from such a habit. A young man who wishes to qualify himself for college must ban the habit, if a victim of it, for in college clear minds are needed, and if you learn today and forget tomorrow you will gain little and lose enough.

Nature placed all on earth healthy, wholesome and clean-minded to live a pure life. A smoker never cares about nature but nature cares about a person. You have the opportunity of making good or bad as you please. If a man wishes to be looked upon in community life as an example, he should not smoke. Many boys might have been great leaders of industry, railroading, politics or the like if they had not been forced to give up their hopes because they allowed the cigaret to gain a victory over them. Your community will be calling for help when leaders of today pass out leaving behind work to be carried on. If you are a cigaret smoker do not say "I should worry, I'll be all right." For that is false. In times before you have gripped life, you will wear away like the rocks by the coast have done by years of constant beating of the waves. The rocks cannot move but you can move. Let the boy who is tempted to smoke the first cigaret say to himself "can I afford to take this enormous risk.

Wheat Is Hard Hit

Many fields of wheat in the vicinity of Hopkins will not be worth cutting as a result of "the fly" being in it, and the early sowing is not the only fields that are damaged, some of the late sowing being no better. It means a loss of thousands of dollars to Hopkins township farmers. Where the fly is not working, the wheat looks immense, promising to make a prolific yield. It is estimated that about half the wheat in this township has suffered by the fly.—Hopkins Journal.

To Have Aeroplane Day

Next Wednesday, June 13, will be aeroplane day in Hopkins. The business men have contracted with M. L. Powell, an experienced aviator, to be there with his big airship and remain all day.

Yellowstone NATIONAL PARK

Earth's sublimest symphony of Color

Where all the colors ever named give the crowning glory to nature's supreme display of fantastic forms and mysterious action.

Radiant blues, purples, greens and heliotrope turn the crystal pools into giant flowers and gems. Marvelous tints adorn the tasseled terraces of hot springs. Rainbows glow in the mist of silvery geysers.

Vivid yellows, orange, vermilion glorify the majestic Canyon—dizzy Gothic walls where the Great Falls foam down to the emerald river.

Make this your Yellowstone year. The route that most people use is via the West Yellowstone entrance—the only way you can make the

Women Tell Each Other How They Have Been Helped by Lydia E. Pinkham's Vegetable Compound

Perrysburg, Ohio.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my sides all the time. I can't remember just how long I suffered, but it was for some time. One day I was talking with a lady I met on a car, and I told her how I was feeling and she said she had been just like I was with pains and nervous troubles, and she took the Vegetable Compound, and it cured her. So then I went and got some, and I certainly recommend it for it is good. Whenever I see any woman who is sick I try to get her to take Lydia E. Pinkham's Vegetable Compound."—Mrs. ADA FRICK, Route 3, Perrysburg, Ohio.

In nearly every neighborhood in every town and city in this country there are women who have been helped by Lydia E. Pinkham's Vegetable Compound in the treatment of ailments peculiar to their sex, and they take pleasure in passing the good word along to other women. Therefore, if you are troubled in this way, why not give Lydia E. Pinkham's Vegetable Compound a fair trial.

Why That Lame Back?

That morning lameness — those sharp pains when bending or lifting, make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Maryville resident's example.

Louis Anderson, 804 North Walnut Street, says: "I had a bad fall which left my back in poor condition. I suffered for some time from dull pains which caught me in the small of my back and my back was lame and sore. I felt miserable and worn out and was hardly able to be about. I read of Doan's Kidney Pills in a local paper and purchased some. The first box brought great relief and after I had taken three boxes I was cured of the attack. I highly recommend Doan's Kidney Pills."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Anderson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Child-birth

Here is a wonderful message to all expectant mothers!

When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says:

"With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes." Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradfield Regulator Co., BA 46, Atlanta, Ga., for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores—everywhere.

From Crude— To Gasoline— To Miles

That is the part the Standard Oil Company (Indiana) plays in your domestic and commercial life.

To make gasoline is one thing—but to make the kind of gasoline that will give you the utmost of mileage is quite another.

To this end, the Standard Oil Company (Indiana) has invested millions by the score, in research, in laboratory equipment and in manufacturing facilities.

The result is

Red Crown

The High-Grade Gasoline

It is the best, the most efficient, the most economical gasoline you can buy—regardless of price.

It starts more easily; it gives your car a quicker get-away; a snappier, smoother acceleration; greater sustained pulling power; all the speed your engine is capable of developing, and the most miles per gallon.

It vaporizes to the last drop—there is no waste—year in, year out. If you use Red Crown you know—if you don't use it, try it today and you will be convinced.

MANY ENTERED IN TENNIS TOURNEY

ATHLETIC ACTIVITIES FOR SUMMER ARE PLANNED

MANY CLASSES FILLED

Swimming, Horse-shoe Pitching, and Baesball Will Be Played This Summer

Plans for athletic activities at the College for the summer session were tentatively arranged yesterday afternoon at a meeting held for that purpose. The activities for the summer will include baseball, tennis, swimming, "barnyard golf" in addition to the physical education classes and possibly hiking for the girls.

Arrangements were made yesterday for a tennis tournament to begin next week. This will be a preliminary tournament to be followed by championship play latter. Matches have been arranged in both boys and girls singles and doubles and mixed doubles. The entry lists up to this afternoon included fourteen teams in men's doubles, seven in the women's doubles, seventeen in the men's singles and fifteen in the women's singles, and five teams in the mixed doubles. The following are the entries:

Mixed doubles: Virginia Bowman and Jack Sheley, Roberta Cook and Floyd Cook, L. Webb and L. Garten, L. Buckner and J. Sherer, W. Hulet and V. Shelby, M. Chandler and R. Baker.

Men's singles: Jack Sheley, Gordon Roach, Vern Gusewelle, Floyd Cook, Richard Baker, John DeMotte, Joe Ferguson, Frank Gusewelle, James Sherer, Vesper Shelby, Ira Young, C. Appleby, Leston Webb, Charles Wells, O. L. McPherson, Paul Smith and H. M. Hall.

Men's doubles: F. Gusewelle and V Gusewelle, F. Cook and R. Baker, J. Sherer and J. Sheley, L. Webb and J. De Motte, C. Wells and J. Ferguson, O. L. McPherson and G. Roach, J. Young and V. Shelby, Ferriton and R. Bloomfield.

Women's doubles: L. Dix and L. Langford, N. Boyle and G. Ozenberger, L. Green and R. Thompson, W. Hulet and L. Garten, R. Cook and M. Chandler, L. Buckner and T. Wells, L. Craig and M. Marshall.

Women's singles: Letha Dix, Lillian Green, Grace Ozenberger, Norma Boyle, Ruth Thompson, Lethel Garten, Lorene Buckner, Hestor Cranor, Ella Reynolds, Roberta Cook, Marie Chandler, Esther Warner, Lucille Bonham, Esther Wells and Louise Langford.

Horseshoe, quoits or "barnyard golf," as it is now known, will be an added sport this summer. The entry list opened today and by this afternoon seventeen had entered the singles and nine teams had entered the double match play. These games will probably begin next week. The following are the entries:

Individual Horseshoe—Paul Smith, E. Turner, Wm. Curnutt, Jack Sheley, Clarence Broderick, J. R. McPike, L. H. Webb, C. Appleby, R. Blomfield, E. E. Faris, E. F. Daniels, L. M. Hartley, F. L. Masters, J. W. Pierce, Joe Ferguson, Jim Sherer, Vesper Shelby.

Horseshoe Teams—F. L. Masters, E. F. Daniels; Joe Ferguson, J. W. Pierce; L. H. Webb, Ed Turner; J. Sherer, J. Sheley; E. E. Faris, R. Blomfield; V. Shelby, J. DeMotte; P. Smith, L. Smith; E. Dixon, L. Waller; C. Appleby, A. Adams.

Plans have already got under way for an inter-class base ball tournament for the followers of the national sport. Howard Leech, coach, said today that if any promising material was developed in the tournament a College team would probably be picked for inter-collegiate contests. More interest has been shown in athletics this summer than for several years, Coach Leech having an exceptionally large coaching class.

All of the classes in physical education for women are filled to capacity. The physical education class the first hour in the morning has over a hundred enrolled.

Miss Mary MacLeod, head of the department, said today that the demand for swimming instructions was much greater than could be cared for. There were twice as many applicants for the student classes as could be cared for. There are three classes in swimming now for women students. The children's class will meet at 8:40 o'clock in the morning and Miss MacLeod has asked that all parents interested, bring their children to the pool in the morning. A fee of five dollars, which includes all expenses, will be charged for the twenty lessons.

What are the important points to watch in the start of the driving swing?

Answered by
BOB MacDONALD

Veteran tournament player, winner of the Metropolitan open championship, 1921, and the Texas open championship, 1922. Famous the world over for his long distance driving.

A player should watch the left arm, hand, and knee when starting a driving swing. The left arm should be perfectly straight; the left hand should be directly over the right shoe; the left knee should be bent slightly in the direction of the ball. Care must be taken not to twist the left foot or it will throw the player off balance. The right arm should be well pulled in to the right side, at the elbow.

Jno. F. Case of the Missouri Ruralist says that one of the greatest enjoyments of this season of the year is the birds and the flowers. And that the bird chorus to be heard early these mornings excels the radio hanging on his office wall, yet we allow ourselves to get too busy to hear the birds or to see the flowers.

Mr. and Mrs. Allen Henry and children and Mr. and Mrs. Willie Henry and children spent Sunday at J. R. Carmichael's.

Messrs Stafford and Barber of Burlington Junction recently shipped in 3 carloads of Texas cattle and have them in what is known as the big pasture which the men have rented from Mrs. Thornhill for the summer. The cattle are nice looking all but their horns.

Mr. and Mrs. Ed Van Pelt and children spent Sunday at Ed Hornbuckle's.

Sunday visitors at Chas. Pierson's were Ed Pierson and son Stanley and Bert Pierson. Mr. and Mrs. Merle Smith were afternoon callers.

Mr. and Mrs. Walter Griffith and Lester and Roine Piveral spent Sunday at Heman Sears.

Myrl, Verla and Howard Keith spent Sunday afternoon with Lester Piveral.

Mr. and Mrs. Jack Davis and family motored to near Elmo Sunday to take Mrs. Davis's mother and brother home.

Mrs. John Wagner and Mrs. Will Keith spent Wednesday afternoon with Mrs. Sears.

Most of the farmers are busy plowing corn. The showers have put the ground in good condition and the weeds are growing as well as the corn. Those who have alfalfa are cutting it this week.

Roine Piveral is spending the week with Mrs. Sears.

Mr. and Mrs. Roy Highfield and daughter Marie, Mr. and Mrs. Chas. Birkenholz and son Linwood and Mr. and Mrs. Walter Griffith spent Tuesday at Heman Sears.

George Kunkel is plowing corn for Ave Carmichael

John Wagner and family spent Sunday at Lon Shanks in Maryville.

Mrs. Jack Davis spent Saturday with her sister Mrs. Walker Dredge.

Dorothy Davis visited Roine Piveral Monday.

Miss Zoe Keith spent Tuesday afternoon with Mrs. J. H. Carmichael.

Sixty-six were at Sunday school last Sunday. New classes are being formed to accommodate the increased attendance. Children's Day program next Sunday night at 8 o'clock.

To Enter University of Chicago.

E. R. Adams, New Hampton; S. C. Richeson, Hopkins; Henry Gannon, Maysville, and William Utter, Hopkins, will drive overland to Chicago next week where they will enter the University of Chicago. They will take a special six weeks' course there.
